To Our Valued Investors,

Subject: Update to Distribution Schedule

As part of our continued growth and commitment to operational excellence, we are making a necessary adjustment to the timing of our monthly distribution payments.

Beginning with the **October 2025 distribution**, all future distributions will be **processed and paid by the 15th day of the following month** (for example, the October 2025 distribution will be paid by November 15, 2025). *If the 15th falls on a weekend or public/bank holiday, the distribution will be processed on the next business day*.

This adjustment aligns with our recent enhancements to internal systems and financial controls. These improvements, including refinements to our reporting cycle, reconciliation procedures, and review processes, are designed to further strengthen accuracy, consistency, and transparency across our operations.

We're sharing this update in advance so investors can plan accordingly. This change represents another important step in building on the strong foundation of success we've achieved together, ensuring continued reliability and scalability as we grow.

We greatly appreciate your ongoing confidence and partnership.

Warm regards,
